Objective

Recent IT Graduate with a strong foundation in Java, Object-Oriented Programming (OOP), and Database Management. Passionate about software development, problem-solving, and building efficient applications. Proficient in full-stack development with Spring Boot, React, MySQL, and RESTful APIs. Seeking a Software Development/Engineering Internship or Graduate role and enhance my technical skills.

Personal Skills

- Effective Communication
- Team Collaboration
- Attention to detail
- Creative
- Enthusiastic and goal driven
- Time Management
- Adaptability

Technical Skills

- **Back-end Development:** Java | PHP | C#
- **Front-end Development:** HTML | CSS | JavaScript
- **Database Development:** SQL | Firebase
- **Frameworks:** Spring Boot | React | .Net framework
- **Developer Tools & IDE:** VS Code | IntelliJ Idea Community | Netbeans | Git | GitHub | Jenkins | Postman

Technical Certifications

- AWS Educate: Introduction to Cloud 101
- AWS Educate: Getting Started with Compute
- AWS Educate: Web Builder
- AWS Educate: Getting Started with Security
- AWS Educate: Getting Started with Serverless

Projects

- [YummyCruisins \(academic project\)](#): (PHP, HTML, CSS, SQL)
 - ✓ Designed, Developed, and implemented functionality and form validation
 - ✓ Connected it to the local SQL/MariaDB database
 - ✓ Hosted locally with Local Servers
- [Portfolio Website \(personal website\)](#): (HTML, CSS, JavaScript)
 - ✓ Designed, Developed, and Implemented functionality
 - ✓ Made it mobile responsive
 - ✓ Pushed to GitHub

- ✓ Hosted on Netlify (<https://saapsyolo.netlify.app>)
- [Waste Management \(backend\)](#): (Java Springboot, H2 in-memory database)
 - ✓ Built RESTful CRUD API endpoints
 - ✓ Used H2 in-memory database for data storage
 - ✓ Tested API endpoints with Postman

Education

Advanced Diploma in Information Technology, Vaal University of Technology,
Vanderbijlpark, South Africa (February 2024 – December 2024)

Diploma in Information Technology (Software Development), Vaal University of
Technology, Vanderbijlpark, South Africa (February 2021 – December 2023)

Languages

- **English:** Speak, Read, and Write
- **Sesotho:** Speak, Read, and Write
- **Xhosa:** Speak
